

MEMBERSHIP FEE RULES

The membership fee is the sum of two elements: A and B. The A element depends on the employment and is calculated on the basis of a six-scale chart as seen below. The B element describes the company's income.

The entry fee is equivalent to two membership fee costs.

The A element depends on employment, it is considered due to the six different levels as seen below.

A - Employment	Fee (PLN / month)
up to 10	30 PLN
from 11 to 25	60 PLN
from 26 to 50	120 PLN
from 51 to 250	200 zł
from 251 to 500	300 PLN
higher than 500	500 PLN

Table 1: Represents A element

The B element depends on the company's income in the previous year and is calculated on the basis of a six-scale chart as seen below.
